# Prestigious Cameo Shores Ocean View Estate

CORONA DEL MAR CALIFORNIA

With an exquisite juxtaposition of raw and refined materials, this incredible estate was designed with exceptional materials, planning, detail and furnishings by Spinnaker Development. Spinnaker's newest and most innovative build to date incorporates traditional architectural materials and form while introducing a contemporary open floor plan concept, pursuing maximum ocean views. Dramatic and expansive indoor / outdoor living elements and modern technology are blended with custom and imported detailing to create a truly unique coastal living experience, ideal for the prestigious Cameo Shores Community. The gorgeous kitchen features a top of the line Wolf and Sub-Zero suite with two Bosch dishwashers, beautiful Lumix countertops and a fully functional butler's kitchen. The master suite has custom made furnishings, including a pop up television cabinet, automated window treatments, his and her Toto washlets, round soaking tub, all slab steam shower, all with the Pacific Ocean as a backdrop. The dramatic entry includes a custom built twelve-foot mahogany door with hydraulic pivot and provides breathtaking views out to the mosaic glass tiled infinity edge pool with a glass bottom cantilevered over the living space below. The lower level has a dedicated movie theater with acoustic paneling and 137-in. screen, a great room for the sports enthusiast with 6 panel 4K media wall, oversized bar with all the amenities, walk in wine cellar, private grotto, as well as a private lower level suite.
